A RAINBOW OF MEMORIES

TOM TOM

TOM TOM

SALISBURY, MD.

Our yearbook is dedicated to Nancy Jeannette Wagner. Greatly missed by loved ones, friends, and classmates, Nancy was to all who knew her a pure delight. She was full of life and love. She had a great love for animals and was an excellent equestrienne. Nancy was the driving force behind the starting of the school Pony Club. She was on the school hockey team and in the AFS program. Precious gems like "Nan" shall never be forgotten.

Production Guide

Have you ever noticed that rainbows seem to be popping up everywhere these days? We used to see them only if it rained, but today they're on shoelaces, scarfs, hats, mittens, sweaters, sweatshirts, socks, jewelry, air freshener stickers, pocketbooks, ribbons, headbands, barrettes, posters, notepaper and a lot more. 1982 seems to be the year for rainbows.

SENIOR CLASS HISTORY

In September of 1978, we the class of 1982, entered Wicomico Senior High School with mixed feelings of both fe and excitement. Our first taste of high school life came with the election of our freshman class officers: Jennie Trivit president; Susan Montgomery, vice president; Ann Meilhammer, secretary; and David Malone, treasurer. We the entered our first senior fair with a sand dip with hopes of raising enough money for our homecoming float. With th money, we built our first float entitled "Mickey Marches Wi-Hi to Victory". Mickey won us a proud place finish an homecoming attendants Connie Hoprich and Lisa Smith made us even more proud to be freshmen. With guidance fro our advisors Mrs. Elmore and Mr. Majors, we began our first and very successful money maker, the M&M sales. At A Sports Night, we pulled out a last place finish due to lack of participation. As the year ended we were ready to move o to an even better sophomore year.

Our Sophomore class officers were: Ann Meilhammer, president; Leigh Hurley, vice president; Sandy Layto secretary; and Susan Steelman, treasurer. Our advisors were Mrs. J. Jones and Mr. Blankenship. At the senior fair w had our unforgettable shaving cream booth which brought us money and a big mess! Our homecoming float "Wi-H Takes the Gold" brought us a first place finish and our homecoming attendants were Jennie Trivits and Conni Hoprich. At All Sports Night, we did a little better with a third place finish. Sophomore fund raisers included bake sale slave day and a donation day.

Our important Junior year started off with electing our class officers: Ann Meilhammer, president; Leigh Hurley, vic president; Jill Nock, secretary; and Sandy Layton, treasurer. This year we knew we had to make a lot of money for w had the Junior/Senior Banquet to hold in the spring. Our advisors, Mr. Cross and Miss Stephenson helped u tremendously in making the needed money. At the senior fair we had a balloon burst and a disappointing Junior floa "It's No Lie Wi-Hi #1" brought us a last place finish. Our homecoming attendants, Connie Hoprich and Lisa Whit made up for the disappointing float. As a fund raiser we sold candy sticks which made us all the money needed to pu on a very successful Junior/ Senior Banquet. In March we won a second place finish at All Sports Night. Also in th spring, we started to order our class rings which made us realize our senior year was not far away.

To start things off, we elected our senior class officers: Ann Meilhammer, president; Leigh Hurley, vice president Denise Kimes, treasurer; David Moreno, secretary; and Barbi Beach, historian. In August we had our senior portrait taken and by December we were swapping photos with fellow seniors. This year, for our last homecoming, we mad banners instead of the traditional floats. Our banner, with Humpty Dumpty as our main character, using the Nursery Rhyme theme, won first place. Our homecoming attendants were Vonda Goslee and Lisa White and Monica Bowder was our 1982 Homecoming queen. Next we had the Senior Fair to handle. We soon found out that being in charge of i wasn't as easy as we had expected! Nevertheless, we still made some money and had a lot of fun doing it. In Novembe we started our biggest money maker — the candy bar sales, with help from our advisors, Mrs. Cox, Mr. Underwood and Mr. Burgess. This went over very well as we made the necessary money for our upcoming prom. All Sports Night was held in March and we proudly took home the first place trophy. In early April our announcements and namecards came in. We all realized our graduation was almost here. Also in April, we were given a wonderful Junior/Senior Banquet by the Juniors and class awards were given out. Next on our senior agenda was the prom. Since this was one of the most important events on our senior calendar we wanted to make it a night to remember. Our class song was the "Theme From Mahogany", our class colors were dark blue and silver, and our flower was the rose. On May 21, the Civic Center was beautifully decorated with streamers and other fancy decorations relating to our Stairway to Heaven theme. Crossroads was the band and after the prom we were treated to a prom breakfast by our parents. The following Monday in school we practiced for Baccalaureate which was held the next Tuesday night. Also that Monday we received our caps and gowns and we had our class picture taken. The Wednesday night after Baccalaureate we had our senior awards program. The only thing left after that was graduation — June 3, the night we had all been awaiting for so long. That was the last time we would all be together as the graduating class of 1982. And so farewell to these brief years and let us now move onward to the mountains we have yet to climb.

Our 1981-1982 year as Juniors was one to be proud of and look back on with many fine memories. The class was led by four charming officers: Addie Armstrong, Tracey Greene, Ruth Richins, and Lori Shockley.

Autumn began a busy year of fund raisers. Throughout the soccer season bake sales were held at all the home games. The "Soft Ball Throw" at WiHi's senior fair was our first major fund raiser. Even though the fair did not have a big turn out, we didn't lose hope. In January we began our long and lucrative candy stick sale. This was our best fund raiser all year making over $1000.00. We also held a yard sale raising over $175.00.

The class of '83 won third place in the homecoming banner contest. The attendants for the homecoming court were the lovely Debbie Gaddis and Lorraine Ryan.

There was so much participation in 'All Sports Night" from the Juniors that we finally made second place.

Officers of the class hosted the Jr./Sr. Banquet with the catering by many of their parents. A wide variety of music was supplied by the DJ's from WJDY. The 1982 Jr./Sr. Banquet served 250 people making it the most successful in WiHi's history.

The Junior class certainly had a very eventful year with many happy memories and much to look forward to.

Also the class extends a very special thanks to Miss Ann Stevenson and to Mr. Charles Cross, without whom there would be no Junior class history.

SOPHOMORE CLASS HISTORY

Our sophomore year started at a fast pace. A deficit in our treasury urged us to get moving with money making projects. We entered the Senior Fair with a toilet seat booth and a dart and balloon game. Those brought us out of debt and started us on our way to paying for our Homecoming costs.

Homecoming was an exciting time. The banner took a great deal of organization to have finished in the six short hours we had. Our theme, "WiHi Burns Kent", was a success as we placed second in the competition. Melissa Payne and Lauren Dianich represented us in the Homecoming court.

We tried a new fund raising idea by selling corsages and boutonnieres for the Homecoming dance.

Later in the year we had a bake sale which added more money to our treasury. At all Sports Night we held onto our third place position from last year with hopes that we can work our way up during the next two years.

We finished the year by selling WiHi silkscreened long-sleeved T-shirts. We hoped this project would provide us with the extra funds needed for our Junior year.

A very special thanks goes to our class officers and advisors, who made this year a success.

FROSH

FROSH HISTORY

As the 1981-82 freshman class we started out slow and uncertain. But by the time the Senior Fair rolled around we were ready.

We started out the year with many fund raisers. The first was the Senior Fair, in which we didn't make any money, but we didn't lost any either. Next we tried a wreath and bake sale at Christmas Land and made $150.00, our best money making project of the year. We had other money contributions to the class and ended the year with a total of $167.39 in our treasury.

Homecoming was an exciting and new event to us. Our banner's theme was "Humpty Dumpty" and even though we came in fourth place it was good experience. Representing the Freshman Class on the Homecoming Court were Mary Lou Gallis and Felicia Dorman.

Representing the class as officers were Rhonda Watkinson, Mark Darby, Diana Mears, and Phil Lacey.

A special thanks goes to the entire Freshman Class for their support, spirit, and participation throughout the year. And to Mr. Thomas Mumford our friend, Guidance Counselor and class advisor who helped us get on our feet to a successful four years as the class of '85.

HOMECOMING 81-82

This year's homecoming game and festivities were held on November 6. The week of November 2, the cheerleaders held their annual spirit week. This year there was in inside-out day, jersey day, hillbilly day, color day and the most popular of them all, punk rock day. Students showed their spirit by dressing appropriately for each day.

Since the cost of float building materials seemed to rise greatly over the past year, each class entered a "banner" instead of the traditional float. Artwork with the theme of Nursery Rhymes covered the queen sized bed sheet. Even though this was the first year for banners, each class turned in an outstanding entry.

The football team, with the outstanding performance of Tony Bateman, pulled off another homecoming victory with a score of 26-0 over the Easton Warriors.

FINE ARTS WEEK

The fourth annual "Fine Arts Week" was held at Wi-Hi from March 1st through the 5th, 1982. We had numerous school-wide assembly programs, workshops, activities, exhibits, demonstrations, student contests and films.

The purpose of Fine Arts Week was to expose and involve students to a wide range of art activity in order to enhance an understanding and appreciation of the arts. The program was totally funded by contributions from the P.T.A. and the S.G.A. with vice-principal Tom Smith as the driving force and coordinator.

All Sports Night was held March 26, 1982. Although the competition was close throughout the night, the seniors came out on top again. The seniors started out on the right foot with a win over the sophomores in the money drop. The final standings were: seniors - 130, juniors - 119, sophomores - 115, freshman - 109. The events included the scooter board, baby bottle, and izzy-dizzy relays.

SENIOR PROM

On Friday night, May 21, the Civic Center was beautifully decorated with stars, streamers, and other fancy decorations for the 1982 "Stairway to Heaven" prom. This year we had something different as the parents surprised us with an outdoor Grand March. The side of the Civic Center was the perfect place as everyone could see the couples a lot better. The outdoor march consisted of two columns fully decorated with flowers. Our class song, Theme of Mahogany, played through most of the grand march. Our class colors were dark blue and silver, our flower was the rose, and the band was Crossroads. After the prom, our parents provided us with a prom breakfast which lasted from 1:00 to 3:00 a.m. All of our work must have really paid off as everyone there seemed to enjoy themselves.

Catch a falling Ruth!

The latest in nightwear

Generating school spirit and supporting the various athletic teams were full time jobs for the Wi-Hi Cheerleaders in 1981-82. Led by varsity captains Jenny Trivits and Connie Hoprich, they sponsored a pep rally appropriately named "Pajamas on Parade" which ended a week long campaign to build support for the 1981 Homecoming. They sponsored a cheerleading clinic with 245 eager future cheerleading hopefuls in attendance. One of the major highlights of the Varsity Squad was placing first in the Golden Eagle Competition in Gettysburg, PA. Allison Dawson and Sheila White shared the captain duties for the J.V. Squad. All in all, the Wi-Hi cheerleaders had a productive and rewarding year.

VARSITY FOOTBALL

Tony follows Norman and James for another gain.

Rick throws another perfect pass.

The Football team had an outstanding season with an 8-2 record. Included in those eight wins were impressive victories over Parkside 20-0 and JMB 24-7 to win the City Championship. Tony Bateman rushed for 1005 yd. and was selected as the team's MVP. Tony was chosen as the MVP in the Bayside Conference. Other honors went to Scott Barber, "Offensive Lineman of the Year"; Martin Blakney, "Defensive Player of the Year"; and Jeff Reddish "Player of the Year". The Indians were a small squad in both size and number this year with just 31 players on the Varsity Squad. The Indians constantly played against teams that outweighed them on line of scrimmage, however our players proved that "it is not the size of the dog in the fight, but the size of the fight in the dog" that makes the difference.

Tony scores again.

Outstanding efforts were provided the team by standouts like Mark Cathell, William Johnson, and Nat Palmer. Next year the junior Indians will be on the warpath to success again.

GOLF!

The Wi-Hi golf team did very well this season. The team was led by Seniors, David Malone, Steve Causey, Rick Carter, and Junior, Vince Cherrix, "MVP". Other members of the team include Freshmen Shem Bostick and Rose Turner who are promising for next year's team. Rose is our first lady golfer and Coach Waller encourages more girls to go out for the team. The team is looking forward to a successful season next year.

In nine meets, the majority held at Green Hill, the Golf Team finished with one first, one second, four thirds, and three fourth place finishes. This record was good enough for third place in the final Bayside South standing. The team also finished third in County Championship play.

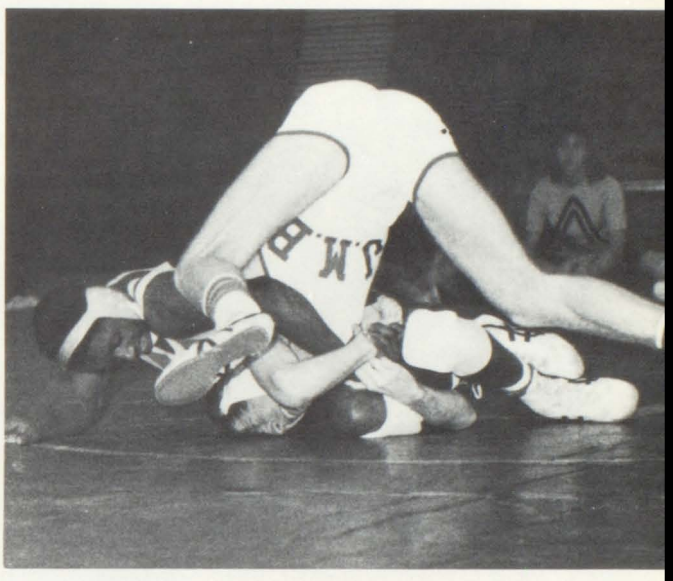
The 1981-1982 wrestling season turned out to be another super year for the Indian wrestlers. They ended with an outstanding 8 and 2 mark, added a 2nd place finish in the Bayside, and 1st place finishes in both District VIII and Region IV competition for the second straight year. Our grapplers went on to finish 8th in the State as a team, producing one state champion in 132 lb. Jeff Malcom, and two 4th places in 155 lb. Norman Farlow and 98 lb. Kevin Davis. The team was led by senior captains Jeff Reddish, Norman Farlow, and Jeff Malcom. The WiHi J.V.-'s completed their 4th undefeated season with an 8 and 0 record.



Anthony has Bennett all tied up.

This year Jeff Malcom, with a 24-1 record, became only the 3rd wrestler from WiHi to win a state championship. Malcom also placed 2nd in the Xmas Tournament, 1st in the Seaford Invitational where he was voted most valuable wrestler for the second year in a row, and 1st in the District and Regional Tournaments. Congratulations, Jeff!!

BASEBALL

The 1982 season turned out to be another fantastic year for the baseball team. Ending the regular season with an impressive 15-2 record, they captured the Region 4, Class B Championship and advanced to the State playoffs. The Indians, facing Milford Mill in the semi-final game, came home with a 5-4 win and a place in the state finals at College Park. The guys finished second in the state with a tough 8-3 loss to Great Mills. Senior Dean White was named MVP for his outstanding pitching efforts throughout the year and his excellent defensive play at shortstop. Senior Alex Davis had a fine year with 29 walks and many great saves at first base. Ritchie Gray stroked 6 HR's this year and Senior catcher Scott Barber made his presence known to many would-be base stealers. The team will miss these seniors next year but veteran players Bruce Matthews, Willie Benton, Nick Gismondi, Craig Shreeves and Keith Middleton could be the nucleus of another great team.

Alex will try anything once.
